

An Evening of Celebration: Southern Summer
June 26, 2026
Bourbon & Bowties | Prosecco & Pearls

Dear Friends,

What a night to remember! Thank you very much for joining us for the Front Royal Pregnancy Center's 35th Anniversary Celebration! We had such a wonderful evening celebrating with you, and we hope you had as much fun as we did.

It was truly special to be together and celebrate 35 years of this life saving work - 35 years of serving families, providing compassionate care, and walking alongside those facing unexpected pregnancies. The evening was a beautiful reminder of the incredible community of supporters, friends, volunteers, and partners who make this mission possible.

Thank you to Rappahannock Cellars, Alex Klassen, Chef Donald Higby of St. Joseph's Catering, Katherine Gossin, and Valerie Von Fange for their artful contributions so generously given in service to this mission.

Thank you again for celebrating this milestone with us! We are so thankful for everyone who has walked alongside this ministry, and we are excited for all that lies ahead.

With gratitude,
The Front Royal Pregnancy Center
